

Shingles Vaccination Clinics

At this time, the Andover Health Department has stopped taking names for the wait list for shingles vaccinations. A limited amount of vaccine was available for 2011 and all doses have been reserved.

Residents will be notified if we are able to resume the program.

The clinics are open only to Andover residents who are 60 years of age or older.

Please call the Health Department at 978-623-8295 with questions.

**This program has made possible by a grant from
The Andover Home for Aged People.**
