After discussion the following suggestions were made to bring back to the designer:

- Add Thrives at 375 underneath the river
- Make Andover bolder and perhaps a darker blue
- Look at the number of buildings, leave the dining table and people
- Need diversity in people
- Will it work in a smaller version?
- Move the gazebo more prominent, it gets lost
- Add a chimney to Old Town Hall (there are two)

Chm. Mackay stated thanks to Alex Vispoli for his assistance on having a 375<sup>th</sup> committee update on the Select Board agenda on 4/26 at 7 PM.

Chm. MacKay asked if there was any further business or comment. Seeing no further comments Chm. Mackay called for a motion to adjourn. Cipriano Apicelli so moved; Buzz Stapczynski seconded. The meeting was adjourned at approximately 4:43 PM.
