

Route 133 Corridor Public Enhancements Working Group
Minutes
August 18, 2025

Present: Members Leslie Frost, Andrew Lewine, Matthew Nigrelli, Clint Palemero, and Gail Ralston joined by Town Staff Paul Materazzo, Art Martineau, Lisa Schwarz, Monica Gregoire, Ann Ormond and members from TEC Jonathan Rockwell, Eric Riese, and Lauren Nicholson, along with Pam Shadley, Shadley Associates. The meeting was called to order by Paul Materazzo at 12:03PM.

On August 18, 2025, members of the Working Group, Town Staff, and local residents convened to review observations from the August 11 site tour. The themes and ideas identified during the walk were subsequently shared with the Town's consultants, TEC and Shadley Associates. Pam Shadley, representing Shadley Associates, commended the committee for their thoughtful input regarding the landscape and streetscape elements along the corridor. She noted that her team will begin preparing initial concept designs for further review at a subsequent working group meeting.

The election of officers was briefly discussed by the working group members, with this agenda item deferred to the next meeting

Meeting adjourned at 1:15PM.
