Such responsibility may be assigned to the General Contractor but must be coordinated and directed by the Designer.

4.12 The Designer shall give the Town not less than two (2) days prior notice of the commencement of any work under this Agreement involving entry upon any Site. Authorization must be obtained by the Designer from the Town prior to the Designer's entering upon any Site for purposes of conducting examinations and other work required to accomplish the Services. In addition, during such entry, the Designer shall use diligent efforts to minimize damage to the building and interference with the use of such Sites.

5.3 "Reimbursable Expenses and Sub-Designers" shall mean reasonable expenses not included in the Request for Proposals or Scope of Services and not foreseeable by the Town or the Designer at the time of execution of this Agreement, which shall be pre-approved by the Town and incurred by the Designer in connection with the conduct of approved Services associated with the printing, copying, and mailing/delivery of printed materials associated with plans and specifications and bid documents; and the use of outside sub-Designers for specialized technical services deemed necessary by mutual consent of the Designer and the Town not included in the Request for Proposals or Scope of Services and not foreseeable by the Town or the Designer at the time of execution of this Agreement. ## **Section 6. Payment**

6.1 Based upon the documentation submitted to the Town as hereinafter provided, the Town shall make progress payments on account of the Contract Sum as follows: The Designer shall invoice the Town once per month for the portion of the Services rendered/completed during the past month. The amount of each monthly progress payment shall be equal to the percentage amount attributable to the specific Phase of the Scope of Services completed as set forth in Schedules I, II & III attached hereto, less retainage in such amount as the Town shall determine for any incomplete work and any claims of the Town against the Designer. The monthly invoice shall also contain separate progress payment sums for work performed/completed by any sub-Designer as specified under Section 5.3 of this Agreement. Monthly invoices shall be promptly processed by the Town if they are in conformity with the Contract terms and after submission to the Town of the following (all in form acceptable to the Town): (i) the certificate of the Designer stating that the Phase/portion of the Services for which payment is being requested has been completed in compliance with this Agreement; (ii) reproducibles of all plans, reports, studies and other materials to be prepared and delivered to the Town in connection with the Phase/portion of the Scope of Services for which payment is being requested.

6.2 Neither the Town's payment of any progress payment or any final payment on account of the Contract Sum hereunder, nor the Town's failure to withhold any such payment(s) shall result in or cause a release or discharge of the Designer of its obligations hereunder or constitute a waiver of any claims against the Designer.

6.3 Any provision hereof to the contrary notwithstanding, the Town shall not be obligated to make any payment (whether a Progress Payment or Final Payment) to the Designer hereunder if any one or more of the following conditions exist, to-wit:

6.3.1 The Designer is in default of any of its obligations hereunder or otherwise is in default under this Agreement;

6.3.2 Any part of such payment is attributable to Services which are not performed in accordance with this Agreement.

6.4 No Progress Payment or other partial payment made hereunder shall be, or be construed to be, final acceptance or approval of that part of the Services to which such Progress Payment or other partial payment relates or relieve the Designer of any of its obligations hereunder with respect thereto.

6.5 The making of Final Payment by the Town to the Designer shall not constitute a waiver of any claims by the Town against the Designer arising from (i) unsettled liens, (ii) faulty or defective Services, or any errors or omissions in the Designer performance of the Services, appearing after completion thereof, (iii) failure of the Services to comply with the requirements of this Agreement, or (iv) the terms of this Agreement or provided by law pertaining to the Designer's performance of the Services, or any breach thereof by the Designer, all of which shall survive such Final Payment and final acceptance of the Services. The acceptance of Final Payment for services or in the event of termination of this Agreement, shall, in each instance, operate as and be a release to the Town and every member and agent thereof, from all claims and liabilities to the Designer for everything done or furnished for or relating to the work, and for any act or neglect of the Town or of any person relating to or affecting the work and shall constitute a waiver of all claims by the Designer except those previously made in writing and identified by the Designer as unsettled at the time of the Final Request for payment.

6.6 **Non-appropriation of funds:** Notwithstanding anything in the contract documents to the contrary, all payments which the Town is required to make under this contract shall be subject to appropriation or other availability of funds as certified by the Town of Andover. The Town may immediately terminate or suspend this Agreement if the appropriation(s) funding this Agreement is terminated or reduced to an amount which will be insufficient to support anticipated future obligations under this Agreement.

## **Section 7. Changes in Services**

7.1 All changes in the scope of the Services shall be affected by written instrument signed by both the Town and the Designer. In no event shall the Town be required to accept and/or pay for any Services beyond the scope of the Services set forth in The Fee Proposal attached hereto unless the same is set forth in a written instrument signed by the Town and the Designer, nor shall the Town be required to pay more for any such change in the scope of the Services than is stated in such agreed upon written instrument. The Town anticipated scope of services for both projects is listed on

The total amount of such insurance shall at a minimum equal one million dollars or such larger amounts as the Town may require for the applicable period of limitations, while coverage may be maintained for a period of at least three (3) years after the date of final payment by the Town. The Contractor shall obtain such insurance coverage at its own expense and provide certificates of insurance to the Town at least 7 days prior to the execution of the Contract by the Town.

The duty to defend shall immediately accrue and be owing upon the utterance of such a claim by any person or entity regardless of merit and shall not be dependent upon a finding of negligence or any other finding of fact at trial. The duty to defend shall be absolute and shall not be defeated or in any way undermined by the utterance of claims not covered by this Agreement.

#### **Section 25. Legal Requirements**

##### 25.1 Non-resident Processing; Signatures

Every Designer who is a nonresident of the Commonwealth of Massachusetts, or a non-resident co-partner of a Designer, hereby appoints the Secretary of the Commonwealth of Massachusetts and his successor in office to be its true and lawful attorney in and for Massachusetts, upon whom all lawful processes in any action or proceeding arising out of this contract may be served. When legal process against any such person is served upon the Secretary of State, a copy of such process shall forthwith be sent by registered mail with a return receipt requested by the Town or its lawful Attorney to said Designer or non-resident co-partner at the address set forth in the contract. Said Designer or said non-resident co-partner hereby stipulates and agrees that any lawful process against it which is served on said attorney shall be of the same legal force and validity as if served on said Designer or said co-partner. Such authority shall continue in force so long as any liability remains outstanding against said Designer or said co-partner.

##### 25.2 Anti-Boycott Covenant (Executive Order #130)

The Designer warrants, represents and agrees that during the time this contract is in effect, neither it nor any affiliated company, as hereafter defined, will participate in or cooperate with an international boycott, as defined in Section 999 (b) (3) and (4) of the Internal Revenue Code of 1954,

as amended, or engage in conduct declared to be unlawful by General Laws Chapter 151E, sections 2 and 3. If there shall be a breach in the warranty, representation and agreement contained in this paragraph, then without limiting such other rights as it may have, the Town shall be entitled to rescind this contract. As used herein, an affiliated company shall be any business entity of which at least 51% of the ownership interests are directly or indirectly owned by the Designer, or by a person or persons, or business entity or entities, directly or indirectly owning at least 51% of the ownership interests of the Designer.

### 25.3 Equal Employment Opportunity Anti-Discrimination Program

During the performance of this agreement, the Designer, for its assignees, and successors in interest, agrees as follows:

- a. The Designer, in the performance of all work after award and prior to completion of the contract work, will not discriminate on grounds of race, color, religious creed, national origin, age or sex in employment practices, in the selection or retention of subcontractors, or in the procurement of materials and rental of equipment. Fair Employment Practices Law of the Commonwealth (M.G.L. Chapter 151B).
- b. The Designer by signing this Agreement agrees to abide by the above paragraph to the best of its ability.

**Section 26. Choice of Law** This Agreement shall be construed under and governed by the laws and regulations of the Commonwealth of Massachusetts, and the Town of Andover. The Designer, and the agents thereof, agree to bring any federal or state legal proceedings arising under this Contract, in which the Town is a party, in a court of competent jurisdiction within the Commonwealth of Massachusetts. This paragraph shall not be construed to limit any rights a party may have to intervene in any action, in any court or wherever, pending, in which the other is a party.

**Section 27. Waivers** The provisions of this Agreement can be waived only by written agreement, except where otherwise stated herein. Forbearance or indulgence by a party shall not be construed as a waiver, nor in any way limit the legal or equitable remedies available to that party. No waiver by either party of any default or breach shall constitute a waiver of any subsequent default or breach.

**Section 28. Amendments** No amendment to this Agreement shall be effective unless it is executed in writing by authorized representatives of both parties.

**Section 29. Severability** If any provision of this Agreement is declared or found illegal, unenforceable, or void, then both parties shall be relieved of all obligations under that provision. The remainder of the Agreement shall be enforced to the fullest extent permitted by law.

**Section 30. Designer' Contract Supplementary Data**

Re: Poms Pond Bath House and Site Feasibility Study

Dear Ms. Nicosia,

As requested, Rotti McGroddy Design Collaborative, LLC, (RMD) is pleased to submit a fee for a feasibility study for the demolition and redesign of the Poms Pond Bath house and related site. Our study will focus on a redevelopment of the facilities at Poms Pond, based upon meetings with Recreation Department and Town staff and public input. We will meet with Town staff to determine the final program based upon existing and anticipated future uses, determine project priorities and meet with other Town Departments to collect pertinent information regarding development at this location. We will take part in public discussions and forums, as the Town elects to garner public outreach.

We will develop multiple plan options for review with the Town with the expectation that one option will be selected for the final estimate and deliverables.

We will provide a final feasibility study package which includes schematic level floor plans, an architectural site plan, associated civil and landscape schematic plans, three dimensional exterior renderings, code review, and schematic level estimate of probable costs for the final feasibility study design.

Our team is comprised of multiple consultants who will be involved in the feasibility study whose trades consist of the following: Architectural design, landscape design, civil engineering, mechanical/electrical/plumbing engineering, structural engineering and cost estimating. We have solicited fee proposals from our team members and propose the following summary and total fee. I have included a detailed breakdown of the architectural fee as well as copies of the consultant proposals received.

FEE SUMMARY:

Architectural:	\$47,000
Landscape/Civil Engineering:	\$32,000
Mechanical/Electrical/Plumbing:	\$4,200
Structural Engineering:	\$2,500
<u>Cost Estimator:</u>	<u>\$13,000</u>
TOTAL FEE:	\$98,700

Feasibility Study

Existing Conditions: During the project walk through it was noted that the Town did not have a formal survey or wetlands delineation prepared for the Pomps Pond site and that the awarded team should provide a separate fee outside of the scope of the feasibility study for those services. Our civil engineering consultant has provided us with a fee proposal for a stamped/certified survey of the primary project site area for a fee of \$7,000.

Please let us know if our understanding of the requested scope is accurate or if you have any questions regarding the fee. I hope this meets your expectations.

Thank you for the opportunity to submit this for consideration.

Sincerely,

Christopher Rotti, AIA, Principal

Greenman-Pedersen, Inc. (GPI) is pleased to provide this Agreement for site engineering and landscape architecture services for the Pomps Pond Bathhouse and Parking Area Reconstruction Project in Andover, MA. It is our understanding that the initial effort is to take the project through the Feasibility and Schematic Design phases. Under this Agreement, GPI will provide the following services to and in conjunction with RMD Collaborative (RMD):

### A. SCOPE OF WORK

#### Task 00001 Site Investigation and Research

GPI's Site Engineering and Landscape Architecture groups will assist RMD in preliminary site investigations and research related to the objectives of this project. This will include an evaluation of the existing conditions survey information (to be provided under a separate contract), a review of wetland resource areas that may pertain to the project (wetlands, bank, land under water bodies, land subject to flooding), and utility research to confirm the utilities that are available to the site and to the extent feasible, the condition and/or capacity of those services.

We will also review and summarize any local or State regulations that will be applicable to the project, including those related to zoning, planning, and conservation commission issues.

#### Task 00002 Schematic Design

We assume that RMD will provide a preferred concept showing the location for the new bathhouse and improvements to the parking area. GPI will provide initial review and comment on the design and then work with RMD to prepare a set of schematic design (SD) plans suitable for SD cost estimating. GPI's support services to RMD during the SD design will include the following:

- Provisions for ADA compliant access between the parking lot and the bathhouse, from the bathhouse to the beach, and to any other public facilities located on site.
- Design recommendations for parking, vehicle circulation, and parent drop-off/pickup.
- Landscape design within the parking lot, building area, and perimeter spaces.
- Preliminary stormwater design in accordance with applicable local and State stormwater regulations.
- Utility connections for the new bathhouse including water, sewer, electric, and telecommunications.
- Landscape architecture design for any outdoor amenity spaces.
- Typical details for all civil and landscape related items.

#### Task 00003 Meetings

Throughout the feasibility and schematic design phases GPI will participate in conference calls and/or attend meetings with RMD as required for project planning and coordination purposes. We will also attend one (1) onsite kickoff meeting with you and any town representatives to review the current conditions and the project goals and objectives and two (2) public meetings during the schematic design phase.

**B. FURTHER UNDERSTANDINGS & EXCLUSIONS**

- a) Services not specifically described hereinbefore are not included in our fee.
- b) This proposal assumes that the SD cost estimate for the civil and landscape items will be prepared by others.
- c) This proposal does not include the preparation of written specifications for the civil and landscape items.

**C. COMPENSATION:**

Based upon the above Services and the enclosed Terms and Conditions, the following table summarizes the costs and payment method of the tasks described in this Agreement. Our estimated not-to-exceed fee to complete these services will be **Thirty-Two Thousand Dollars (\$32,000) plus reimbursable expenses**. We will not exceed this estimate without prior written approval by the CLIENT. For your information, this budget is proportioned below to each sub-task.

Tasks	Not to Exceed Fee	Payment Method
00001 Site Investigation and Research	\$8,000	Hourly
00002 Schematic Design	\$17,000	Hourly
00003 Meetings	\$7,000	Hourly
<b>TOTAL</b>	<b>\$32,000</b>	<b>Hourly excluding reimbursables</b>

Reimbursable expenses will be invoiced in accordance with the provisions of the attached General Terms and Conditions and are in addition to and not included in the above labor fees. For budgetary purposes, we estimate the **reimbursable expenses to be \$100**.

We trust this Agreement meets your needs. Please indicate your acceptance by signing below and returning a copy of this Agreement. Work will proceed only after the receipt of the signed agreement. This Agreement is deemed withdrawn by GPI if not accepted by the Client signing and returning a fully executed copy of this Agreement within ten (10) days of the date written above. Through its signature, the Client declares that it understands and agrees to the enclosed Terms and Conditions and Fee Schedule and has had an opportunity to discuss with GPI any details that are unclear.

For purposes of this Agreement only, electronic signatures shall be considered an original signature and shall have the same force and effect as an original signature.
