

# FAMILIES SUPPORTING FAMILIES IN ANDOVER

Supporting one another while loved ones deal with addiction  
and mental illness

*If your child is in an addiction or mental health treatment program; if you have questions about how to access treatment; what to do after; or need support while going through the steps, please join us. If you have lost a loved one to the disease of addiction or to a major mental illness we encourage you to join us.*

*All are welcome.*
