

Made from lightweight PVC panels, AIL Sound Walls are available in a variety of attractive colors and textures in both Standard and Upgraded Finish Levels.

Standard Finish Level

Our Standard Finish Level provides an economical and attractive sound barrier wall with smooth panels and galvanized steel posts.

Features:

- ▶ Smooth panels
- ▶ Four standard colors available
- ▶ Galvanized steel posts

Options:

- ▶ Add post sleeves and caps¹
- ▶ Add an embossed woodgrain texture to standard color panels

¹Not available on all post sizes.

Standard Finish Colors²

We offer four popular Standard Finish Colors that are designed to enhance any application: Gray, Adobe, Tan and White. Woodgrain texture can be added to any Standard Finish Color as an option.

²Color reproduction is subject to limitations of the printing process and/or screen viewing. Please ask your AIL Sound Walls Technical Sales Representative for actual
