

# **Shingles Vaccination Clinics**

The Andover Health Department is currently making appointments for shingles vaccination clinics for 2013.

The clinics are open only to Andover residents who are 60 years of age or older.

The clinics will be held monthly by appointment only. Cost will be \$10.00.

Please call the Health Department at 978-623-8295 for the necessary paperwork.

**This program has made possible by a grant from  
The Andover Home for Aged People.**
