## ILLICIT DISCHARGE COMPLIANCE STATEMENT

As the owner of the Eden Estates Subdivision, I am responsible for identifying and eliminating illicit discharges as defined by the USEPA and compliance with the provisions of the Massachusetts Stormwater Management Policy and the USEPA NPDES Construction General Permit.

To the best of my knowledge, the accompanying plans, calculations and specifications meet the requirements of Standard 10 of the Massachusetts Stormwater Handbook regarding illicit discharges to the stormwater management system and that no detectable illicit discharges exist on the site.
