

Massachusetts Department of Transportation  
**PROJECT ADVISORY**  
Tuesday January 22, 2019

**ANDOVER- BRIDGE REPLACEMENT, A-09-011,  
STATE ROUTE 28 (NORTH MAIN STREET) OVER MBTA RR**

Please be advised that night work for the above referenced project is slated to begin **Thursday 24<sup>th</sup>, 2019**. Working hours will be Thursday morning at 7:00 AM until Friday afternoon at 3:30 PM. Normal day shift operations will resume on Friday morning at 7:00 AM. The Contractor will be installing structural steel beams over the railroad tracks. Night work is required in order to limit impacts to Railroad Operations and to prevent disruptions to service. This work is scheduled for one overnight shift; however, the work is weather dependent and may be postponed and rescheduled.

Overnight from 11:00 PM to 5:00 AM, the bridge will be closed and traffic will be rerouted off of North Main Street as follows:

Stevens Street – Shawsheen Road – Essex Street – Pearson Street & returning to North Main Street.

Variable Message Signs will be installed in advance of the detour; the detour will be properly signed for traffic control during this overnight operation.

Please note that best efforts will be made to limit noise and lighting disruptions to the surrounding community during this time. The Project Goals are to limit impact to abutters, motorists and pedestrians while completing the work on schedule and on budget.

If there are any questions please contact the Massachusetts Department of Transportation Field Office: 978-475-4385.
